

Teams Wanted for an Outrageous, Fun filled Weekend 31st August - 1st September 2019.
Interested ???

****** FREE REGISTRATION ******

Do you Know 8 people that you would like to spend the night with?

Petal Relay for Life is searching for intrepid teams to take part in a fun action packed 24 hour fundraising event aimed at all the family to raise money for Cancer Research UK. This is the 11th year of Petal's Relay for life (formally Ribble Valley and White Rose Ladies) and our 21st fundraising year!! We, the local organisers, are calling on people of all ages to make the 2019 Relay bigger and better to create more tomorrows for children with cancer.

Relay For Life is an event for all the family

Relay is very much based on a fun, carnival atmosphere where people of any age are more than welcome to get involved as we aim to celebrate, remember and fight back. The event has a celebration feel with live music, fun, games and entertainment and much more involving all of the community.

What's Involved?

Relay for Life is a team fundraising challenge bringing communities together to beat cancer. Teams of families and friends fundraise with the aim of working together to bring more tomorrows to children with cancer. Everyone then unites and joins a 24-hour celebration held at Thornton Hall Country Park, Thornton in Craven kicking off at 12.00 noon on Saturday, 31st August, to 12.00 noon on Sunday, 1st September. Teams will set up camp and then take it in turns to walk around the track, making sure there is at least one member of the team on the track at all times. The rest are free to enjoy the entertainment and just be involved in our unique, fun filled, community event!

for more tomorrows

A bit more information ...

The event is a great way to spend a weekend away with your family, friends or work-mates. Or alternatively just come and spend an hour or so with us. We have 24 hours of fun. There will be music and entertainment throughout the day with stalls selling all sorts of lovely stuff, our popular tombola, Duck Dive, Mystic Rita, face painting and dog agility as well as the café at Thornton Hall Farm.

The most poignant part of Relay is the Candle of Hope Ceremony which gives everyone a few special moments to remember those who have lost their battle to the disease and to support those who are still carrying on that fight. Special messages and pictures are put on candle bags in memory or celebration of loved ones and these are placed around the track with candles inside them and lit as dusk falls. It is very moving and inspirational part of the day.

By taking part you are helping to raise vital funds that can truly make a difference in the battle against cancer.

How do I get involved?

All of the Relay for Life Petal committee are convinced that if you attended the event in any capacity at all then you will just want to come back again year after year.

So, if you wish to join us in creating more tomorrows for children with cancer and in helping us to celebrate, remember and fight back go to the relay for life website at; <http://www.cancerresearch.org/relay> and follow the links to find Petal Relay for Life. On this site you will also be able to register as a team captain, survivor or as a team member.

Alternatively for more details contact the team chair – Angela Stuttard (angela.stuttard@hotmail.co.uk) or call 07753778559.
